

Installing Avonto Direct Connect Software

Download Avonto Direct Connect Software

1. Go to our website: www.Avonto.com
2. Click on the Download link.
3. When prompted to Run or Save the file, click Run. (Choose Save if using dial up connection and then double click the downloaded install file from the location you saved it to).
4. When the Install Wizard opens, click Next through all the prompts.
5. When finished, double click the new Avonto Direct Connect shortcut located on your desktop.
6. Once installed, you must register your software.

We do not send CD's for installation; you must have an internet connection to download the software.
